A diagram of a rectangular panel, 18 inches wide and 360 degrees in circumference. The panel is divided into four equal quadrants by three vertical dashed lines. The top edge is labeled with angles: 0° at the left corner, 90° at the first divider, 180° at the second divider, 270° at the third divider, and 360° at the right corner. To the right of the panel, a vertical dimension line indicates the width is 18". Above the right end of the panel, the label "EXT" is present.

18" - HW AW w/FOOTER - 18" - (P1)
