

WALL - EASI-SET BUILDING - WP-01 - 109" x 304"

The drawing is a detailed form view of a stone building, showing the layout of the stone courses and the placement of various structural elements. The building has a gabled roof and a central entrance. The drawing includes the following dimensions and annotations:

- Overall Dimensions:**
 - Width: 25'-4" P.D.
 - Height: 9'-1 1/2" MAX. P.D.
- Structural Elements:**
 - Roof:** Gabled roof with a peak height of 9'-1 1/2" MAX. P.D. and a base height of 7'-1" MIN. P.D.
 - Walls:** Constructed from stone courses. The drawing shows the placement of horizontal and vertical joints.
 - Foundation:** The foundation is shown with a height of 6'-11 1/2" C.D. MAX. and a base width of 6'-10 1/2" C.D. MIN.
 - Entrance:** The entrance is located in the center of the building, with a width of 3'-4" and a height of 6'-10 1/2" C.D. MIN.
 - Windows:** There are two windows, one on each side of the entrance. Each window has a width of 3'-4" and a height of 6'-10 1/2" C.D. MIN.
 - Doors:** The doors are located on the sides of the building, with a width of 3'-4" and a height of 6'-10 1/2" C.D. MIN.
- Annotations:**
 - Horizontal Lap:** Indicated by a dashed line and the text "HORIZONTAL LAP B.L.F."
 - Vertical Lap:** Indicated by a dashed line and the text "VERTICAL LAP B.L.F."
 - Reinforcement:** The drawing shows the placement of reinforcement bars (rebar) in the foundation and walls. The rebar is labeled "REBAR" and "HOLD TIGHT TOLERANCE".
 - Formwork:** The drawing shows the placement of formwork for the concrete. The formwork is labeled "FORM" and "HOLD TIGHT TOLERANCE".
 - Shoring:** The drawing shows the placement of shoring for the concrete. The shoring is labeled "SHORING" and "HOLD TIGHT TOLERANCE".
