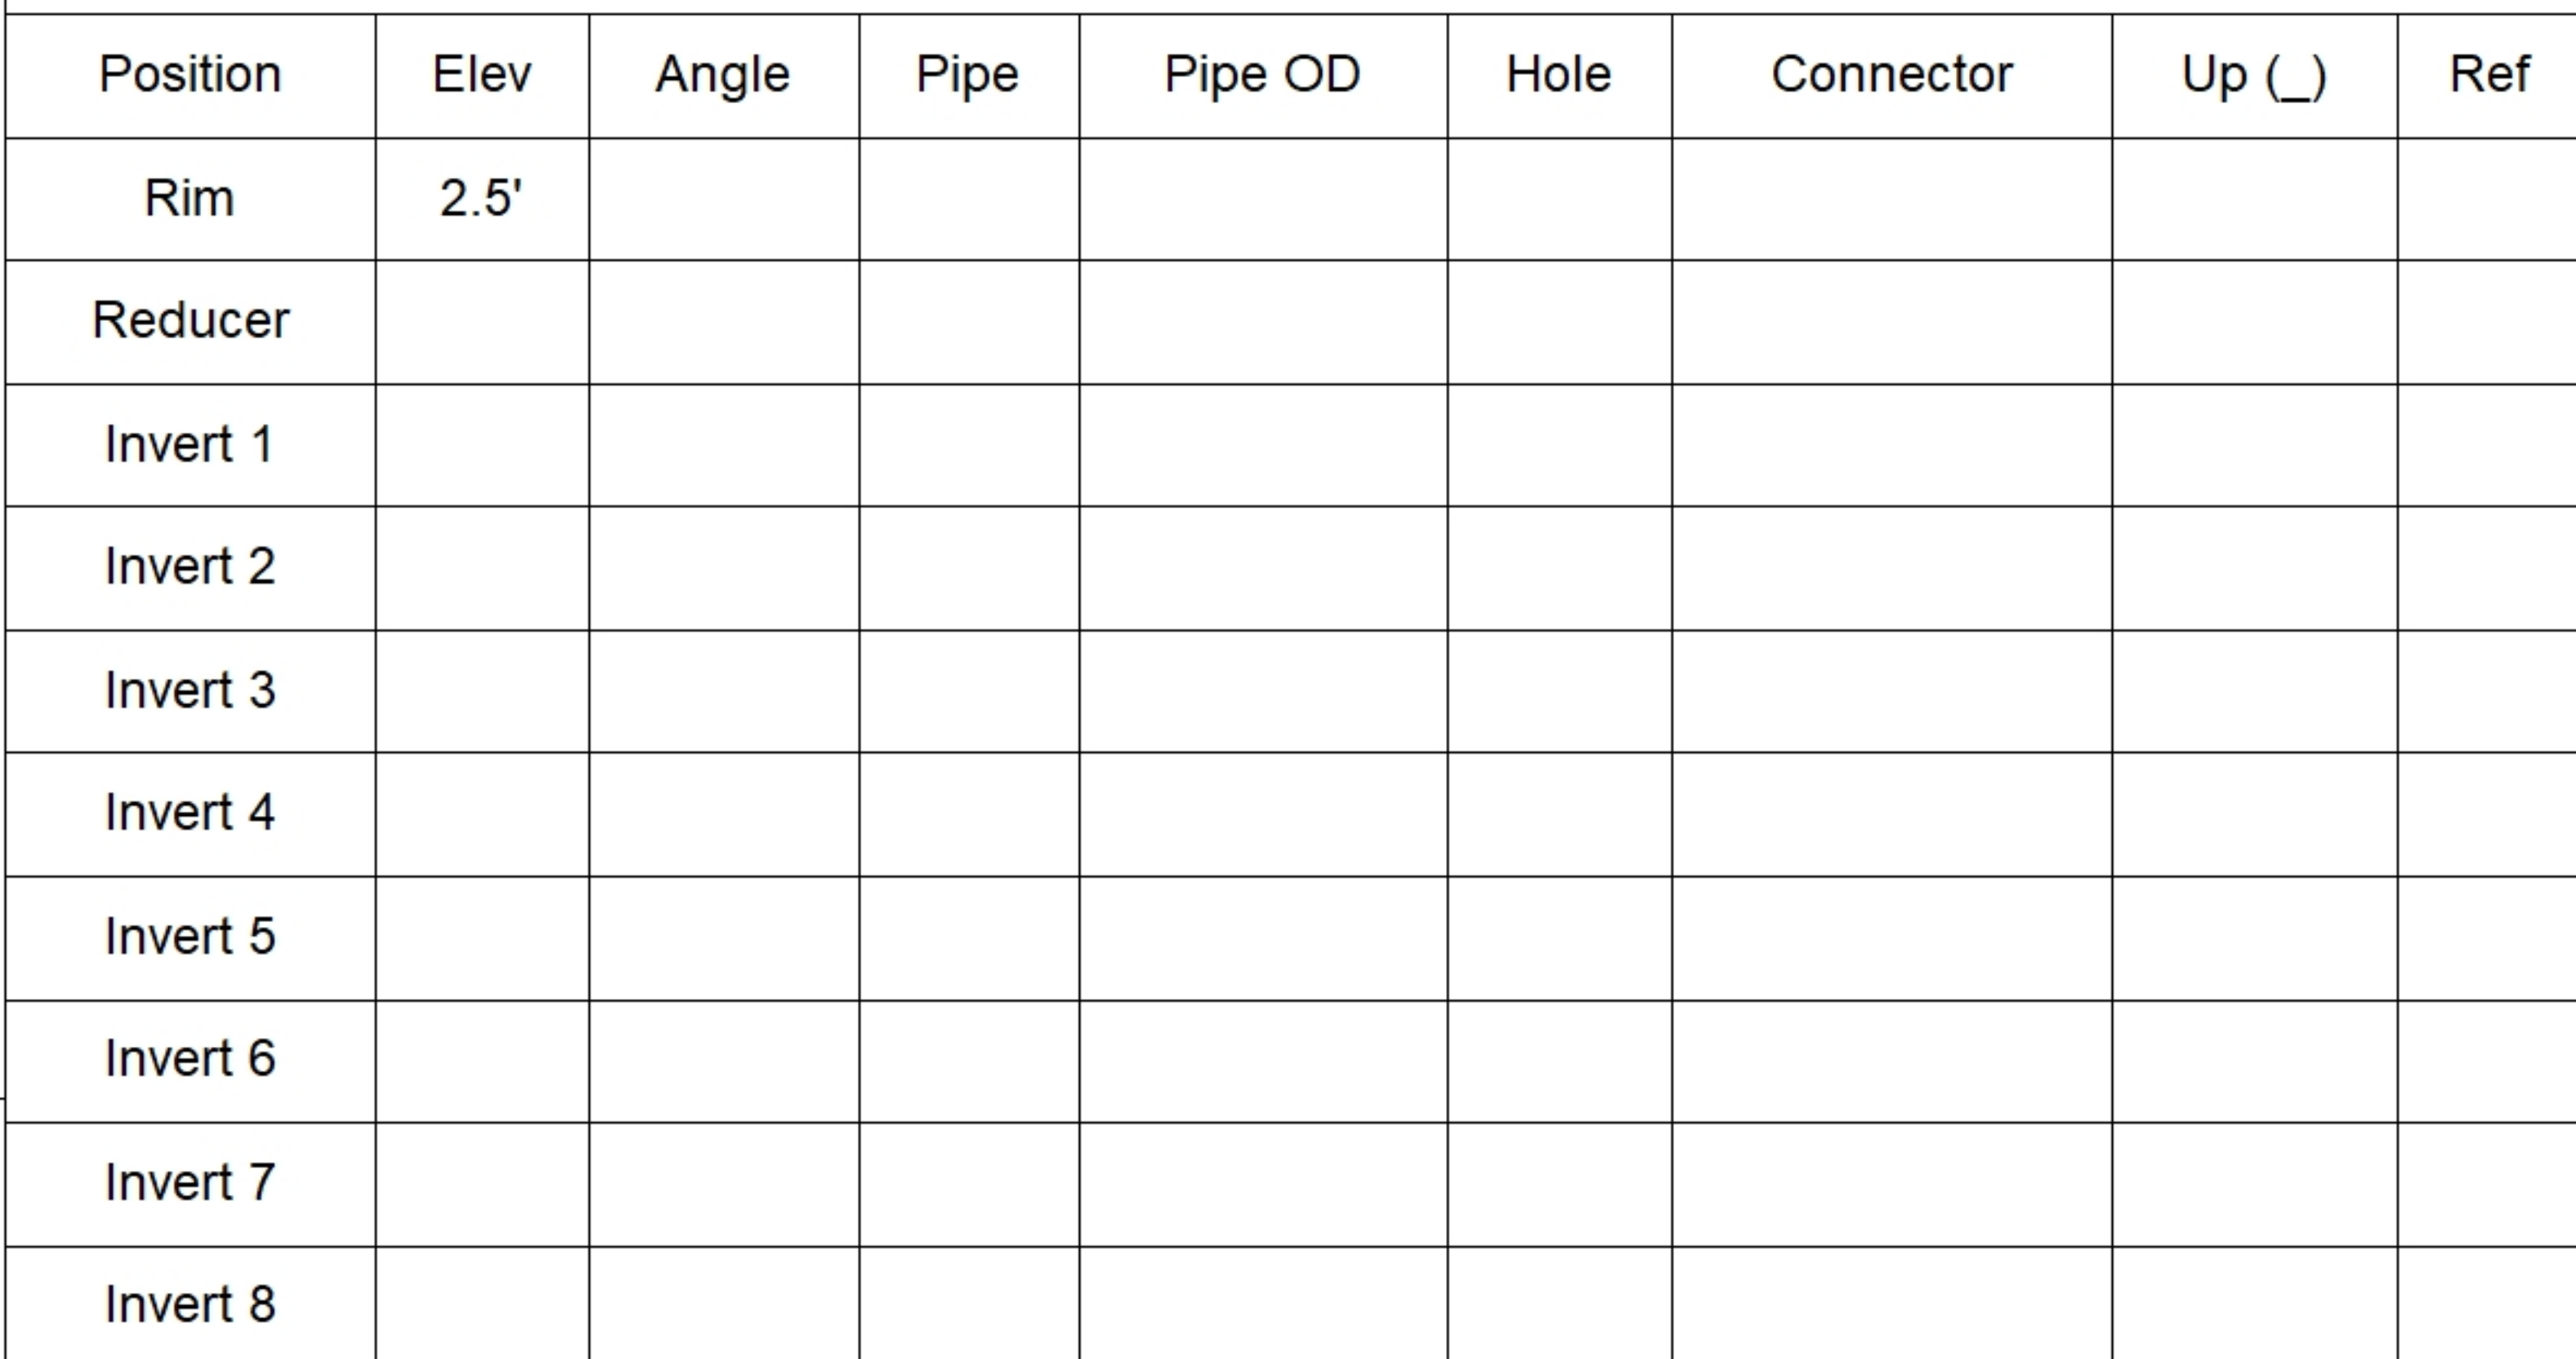

Diagram illustrating a rectangular plate (P1) with dimensions and orientation markers. The plate is labeled (P1) on the left. The width is marked as 24" on the right. The orientation is marked with angles: 0°, 90°, 180°, 270°, and 360° along the top edge. The plate is divided into four equal sections by vertical dashed lines. The label EXT is located at the top right corner.
