The diagram shows a rectangular sheet of paper with a total width of 29 inches and a height of 8 inches. The width is divided into four equal vertical sections labeled 'Front', 'Right', 'Back', and 'Left' from left to right. A horizontal dashed line runs across the sheet, 8 inches from the bottom edge. In the 'Left' section, a circular object with a thick gray border and a white center is positioned. The center of the circle is labeled with the number '1'. A small square box with the text '0"' is located to the right of the circle, with an arrow pointing from the circle's right edge to the box. The label '(P1)' is located to the left of the sheet.
